This special evening has been made possible by the generosity and support of our participating restaurants that have offered their culinary talents for your enjoyment.

We would also like to express gratitude to our sponsors that provided financial support for Taste of DownTown:

Nevada Appeal
Carson Redevelopment
Empire Golf
American Family Insurance

Medical Center
Gold Dust West
Magic 95.5
K-Bull 98FM
Wild 102.9

Our thanks would not be complete without recognizing the many contributions made by volunteers, staff, board members, and participants that help make Taste of DownTown such a special event. It is only through community support that Advocates is able to provide services to victims of domestic violence and sexual assault.

"Taste Tips"

Ticket

Tasting begins at 5:30 p.m. and ends at 9:00 p.m. The yellow wristband ticket is numbered to correspond with the restaurants on the map. **Plan on** starting at the restaurant circled on the wristband. **Volunteers will be at** each restaurant to answer questions and mark your ticket. Any unsold tickets will be available for sale at the information booth on the Legislative Lawn.

Plan Your Route

A JAC bus and trolley will pick-up and drop off at four sites every 15 minutes. Carson City streets will be busy, so cross at lights or with crossing guard aid. Comfortable shoes and a hat are highly recommended. Restaurants will be selling water and drinks along the way.

Parking

Park your car near where you plan to finish the evening. Transportation will run until 10:00 p.m.

Extras

The Carson Cigar Company (behind B'Sghetti's) will be offering a complimentary cigar to ticket holders. Many stores will providing in-shop raffles for an opportunity to win prizes.
