About 90 motorcyclist riders trekked to Site 300 from the Laboratory in Lab Ride 11 for the annual barbecue and fundraiser.

In honor of Veterans Day, the Lawrence Livermore Laboratory Armed Forces Veterans Association along with the Alameda County Firefighters Association and the LLNL Office of Strategic Diversity sponsors the ride to support the Alameda County Food Bank and Operation Supporting All Military, a non-profit organization that sends packages to U.S. troops to show support to those deployed all over the world, especially those in Iraq and Afghanistan.

This year, the group raised \$900 for the food bank and \$900 for Operation S.A.M.

Earlier in the day, LLLAFVA took part in the annual Veteran's Day breakfast at the Livermore VA Medical Center.

More photos of the Lab Ride and the VA breakfast are available on the Web.
