

Milford Sound Red Boat Cruises: The Vessels

The Pride of Milford

As the latest addition to the Milford Sound Red Boat fleet, this state-of-the-art catamaran has been designed with extensive viewing decks where you can enjoy the magnificent scenery in total relaxation and comfort. The flat bow design enables you to get up close to nature and the large panoramic windows ensure unobstructed views of the Fiord.

Length: 34 metre catamaran.
Beam: 13 metres.

The Lady of the Sounds

The Lady of the Sounds is a spacious catamaran which offers excellent access to the foredeck for viewing wildlife and scenery.

The large open upper deck also offers fantastic opportunities for photos. This vessel is often used on the 12.25pm Scenic Cruise & Observatory sailing. Onboard you can choose from a selection of light snack food and complimentary tea and coffee is available.

Length: 25 metre steel catamaran.
Beam: 9 metre beam

The Lady Bowen

The Lady Bowen offers seating for up to 75 passengers and is the ideal vessel for an intimate experience or charter. The upper deck has covered seating to protect you from wet weather, and there are plenty of photo opportunities with walkway access around the entire boat.

Length: 21 metre steel monohull
Beam: 6 metre beam.

The Spirit of Milford

This comfortable, well-appointed catamaran just undergone a one million dollar refit in the winter months. The vessel featured a new modern interior complete with new carpet, café and large viewing windows.

Both decks on this vessel offer excellent forward viewing opportunities and the chance to get close to nature. The covered after-deck enables you to take those great waterfall photos without getting wet!
