What is Freestyle Cruising?

Freestyle Cruising is NCL's way of giving you freedom on your vacation. We've lightened schedules and lessened restrictions so you can do your own thing where, when and with whom you want.

With Freestyle Cruising, you can even eat at a different restaurant every night, with whom you want, at the time you choose. And you'll find plenty of entertainment options, too!

With all of these choices, one question is always asked: Whom do I tip? On a traditional cruise, you have one waiter, one busboy and one Maitre d'. On an NCL cruise, you've got several different Service Staff Members catering to your every need. A \$10 per guest, per day gratuity is added to your onboard account and this amount goes to the entire Service Team, including your Room Steward/ess from Housekeeping, here on the Norwegian Dream.

Don't miss this!

Sailaway Party: Join your Cruise Director's Staff out on deck for some fun and dancing as we say goodbye to Houston, Texas and head for the Caribbean. Enjoy our Featured Drink "Bon Voyage" for \$8.00 and great music with Trini Flavour. (If inclement weather, the party will be in the Observatory.)
